

About the Texas Business Hall of Fame:

The Texas Business Hall of Fame Foundation was created in 1982 by a small group of Texans to focus awareness on the positive achievements made by outstanding business leaders in our State and honor their contributions in both business and community.

About the Legend Nomination & Selection Process:

Anyone can nominate an individual for the Texas Business Hall of Fame. Criteria considered when selecting nominees for our statewide ballot include: strong record of civic leadership, impact of business, entrepreneurial merit, and philanthropic giving. Twenty finalists are selected based on their business impact and the extent to which they have used their success to improve their state, national and global community. Peer selection and engagement in our selection process distinguishes this honor. The majority of Hall of Fame members vote on an internal ballot that determines the organization's six inductees each year.

Important Notes:

- Giving history to the Texas Business Hall of Fame has no impact on our selection process (only philanthropy to other organizations).
- Recipients do not have to be from Texas but must be residents of the state and have resided here for a significant period of time (this requirement was updated in 2017; before that time, those with significant economic impact in the state who did not live here could be considered).
- One cannot nominate oneself for this award and nominations by public relations firms on behalf of an individual are strongly discouraged.
- An individual nominated who has a professional or close personal relationship with a TBHF Director will be considered but that Director and/or group of Directors cannot participate in the ballot selection process.

DEADLINE TO SUBMIT YOUR NOMINATION IS FRIDAY, DECEMBER 16, 2023
(by end of business)
